## This Week in Art

Issue number: 27 Friday 17<sup>th</sup> May 2024

It's been a busy week in the art room, with lots of wonderful art work being completed by all year groups. Some particular highlights this week have been:

Year 2 really enjoyed creating textured ink prints from their collagraphs.

Year 1 created some digital drawings using the iPads and designing their own dream vehicle!

Year 6 completed their own Bauhaus style design posters.

Take a look at these stunning creations!

## Go Cas for Cambodia

**By Alice Morris (6F and School Council)**

On Friday 24<sup>th</sup> May the School Council is hosting a non-school uniform day called Cas (as in casual) for Cambodia! This is to raise money for New Hope School, Cambodia.

The money is needed for:

- \$8 (£6) to buy food for the children
- \$10 (£8) for 2 sets of school uniform for 1 child per year
- \$15 (£12) for 1 set of school supplies (pencils, pens, exercise books etc)
- \$25 (£20) for 1 food package
- \$40 (£32) to educate a child for a month
- \$50 (£40) for a bicycle to travel to school
- \$100 (£80) for small renovations to fix their school building

If everyone brings in £1 it can really make a difference for Cambodia (and if you can make a bigger donation that would be amazing!) It is also okay if you can't make a donation - just come in cas and send love to New Hope School instead.

## Free Half Term Cycle Training

Southwark Council is providing free cycle training courses in Dulwich Park during the school holidays. The sessions are for all children ages 4+ who live or go to school in the borough. Children must be able to attend training for every session. Places are limited and can be booked online on a first-come-first-served basis.

To secure a place, parents and carers need to book on the Cycle Confident website:

<http://www.cycleconfident.com/courses/child-group/>

## Cancer Fundraising Initiative

A huge well done to this group of extremely thoughtful children, who organised and hosted their own fundraiser for a cancer charity. The children raised nearly £500 and we couldn't be prouder of them. What a great way to spend their weekend!

## Well Done Year 6!

This week the children in Year 6 have had their SATs tests. We wanted to say a massive well done to them for their mature and calm approach to the tests. It can be a very daunting week for the children. As a school we want the children to feel proud of themselves for all that they have achieved during their time here and want them to do as well as they can in the tests but we take a cautious approach to preparing the children. We ensure that the children are emotionally supported and still experience the full and rich curriculum that we offer at Heber all the way up until the tests, whilst also giving them the opportunity to practice the skills they need to get them through the week. On behalf of the whole team at Heber, I want all the children to know just how proud we are of them. They really are a fantastic bunch. Now to focus on the exciting projects ahead... Enterprise Week, the end of year performance and School Journey, to name a few!

## Online Safety

As part of our ongoing commitment to safeguarding our students online, we are always looking for ways to improve our provision for children and parents. Research suggests that the knowledge and education of parents in online safety is one of the most critical aspects of keeping children safe, with one survey from [internetmatters.org](http://internetmatters.org) showing that '81% of children turn to a parent for this information, followed secondly by teachers (70%).' As such, we would like to empower all of our Heber parents and carers to have the best possible knowledge of devices, apps, websites and parental controls.

We will therefore be sharing regular information within our newsletter which we hope will prove beneficial in understanding how our children are using the internet and knowing how best to help them stay safe whilst doing so. Attached to this newsletter is a guide from National Online Safety, detailing risks and advice for the use of iPads. If there is any particular topic, app or website that you would like more advice on, please feel free to get in touch!

Mr Adams – Computing Lead and Safeguarding Team

## Upcoming Workshops

We have two upcoming parent workshops with Miss Darkin after half term. The details are as follows:

### Thursday 27<sup>th</sup> June at 9.15am - Dyslexia

This workshop will be information-sharing around 'Dyslexia', how it presents in our children, how we support our children with dyslexia in school and the power of a diagnosis (and how to get one). Please let us know if you are interested in attending by using this form: <https://forms.gle/kw51bVLYX3vX9EWv6>

### Thursday 4<sup>th</sup> July at 9.15am – EHCPs (Education, Health and Care Plan)

This workshop will be information-sharing about the EHCP process - who needs one, who will qualify, what the application process looks like and what support looks like in school if a child does have one. Please let us know if you are interested in attending by using this form: <https://forms.gle/4UZJJRDwTtdbarAs8>

## Stars of the Week

Congratulations to the following children who were chosen as the Star of the Week for demonstrating our school values this week:

RH	Emmy	RP	Ethan
1C	Jago	1V	Clara
2H	Hattie and Nathan	2JP	Alannah
3N	Astrid	3W	Adam
4LC	Harry	4S	Keira
5G	Harrison	5K	Tamarrio

The whole of Year 6!

## Academic Excellence Awards

This week in our Merit Assembly we celebrated the successes of a child from each class, who excelled in their learning and produced some outstanding work. Well done to the following children:

RH	Leela	RP	Presley
1C	Bella	1V	Rowan
2H	Alex	2JP	Aalia
3N	Molly	3W	Laurie
4LC	Davi	4S	Tahirah
5G	Melodie	5K	Hiba

The whole of Year 6!
