This week in the Art Room

Issue number: 36

13th July 2018

This week we looked at silhouettes and used oil pastel and paint to create the lovely desert like sunsets we have seen in London this summer. We thought of how resilient a cactus has to be to exist in such a place, a word we know well at Heber in our quest to learn and improve.

The Garden Project

Yesterday marked the exciting start to our garden project. The volunteers from Deutsche Bank and Clifford Chance focused on the garden area for the whole day and made an incredible start with the regeneration of this previously unused area. Next week we are hoping to get the paving work done. On Wednesday, Jo and Alex from 3 Elements will be back to finish off two more planters and install seating in the outdoor learning area. Planting will take place in the Autumn Term.

A Message from the Music Team

With all our concerts finished for the year you would have forgiven our intrepid musicians for taking their foot off the pedal this week. However, this does not represent the children at all accurately, and instead we had an influx of ready musicians to take the mantle from our departing year sixes (*sniff*). The drop in sessions are filling up thanks to year 3 and year 4 children who came to us this week with ideas, songs, bands, performances, and more. The future is bright at Heber, that's for sure.

A big thank you to all of you who helped us in the music department this year, in both small and big ways. Every little really does help and we are so grateful for all that has been done.

And lastly, a fond farewell must be made to our newest musical hero, sadly departing after a most successful year: Mr Fabio Picarelli. He is off to start his own musical adventure, but we could not have done anything that we have achieved this year without him. When you see him around, feel free to let him know how much we appreciate him and how much he'll be missed. Who knows, he could make a cameo appearance in the future if we are lucky!

WHAT WILL YOU GO AS?

Weekly Music Awards

KS1: We will end the year on a high in Key stage 1, with a true musical hero – and not just for her star turn in the recent class assembly. She sings accurately, she smiles beautifully, she joins in with musical activities enthusiastically, she learns voraciously, and she brightens up our lives daily. Patricia from 1H is the award winner this week.

Lower Key Stage 2: Thoughtfulness is a quality we all need to aspire to at any age, and care for the music department is a trait you cannot forge, and the coming together of these great qualities has earned the Lower Key Stage 2 music award this week. Nidal from 4D would earn the award anyway on his own musical input, but to have brought us a device we can use in the department melted our hearts. Thanks Nidal, we need all the instruments we can get! You rule.

Upper Key Stage 2: Both Hamish from 6F, Arthur from 6D and Jessie from 6D have earned the Upper Key Stage 2 award this week, on the strength of their solo singing performances in the year 6 shows. These children showed us how it's done with teamwork, resilience and assurance. Deserved winners, I'm sure you'll agree.
