This week in the Art Room...

Issue number: 2 Friday 11th September 2025

Thank you very much for the Summer gifts and cards I received at the end of last term. They were much appreciated. We were all excited to begin another term of ART at Heber. There will be some new fun things happening!

ARTIST OF THE TERM.

Once a term, a pupil from each class will receive a certificate and small prize for being 'Artist of the Term'. We discussed what this might look like and agreed behaviours such as:

- Trying our best in every piece of artwork
- Following the rules of the Art Room all the time
- Being unique and creative and trying out new things in our artwork

ART AMBASSADORS.

I will also be recruiting some very special roles this term. I would like a pupil from each class to be an 'ART AMBASSADOR' to help with the direction and running of Art at Heber. More details will follow in a letter explaining how to apply.

The children all created posters this week, to show how much we enjoy Art at Heber.

Mrs Coulson

School Council & Eco Committee

If you would like to represent your class on the School Council or the Eco Committee, application letters will be sent out on Friday 12th September. These are important roles where you will help make decisions, share ideas and speak on behalf of your classmates.

If you choose to apply, you'll write a manifesto explaining why you'd be a great representative. On Friday 19th September, you will read your manifesto to your class before voting takes place at our school polling station. This is a chance to take part in democracy, just like in real elections! Once the votes have been counted, the results will be shared in classes. Good luck! We can't wait to hear your brilliant ideas!

Upcoming Meetings

Curriculum Meetings

Next week we will hold our curriculum meetings for parents, which will be run by class teachers. The meetings will begin at 4.00pm in a classroom for your child's year group and will contain all the essential information for your child's year ahead at Heber, including essential curriculum notices, how to support at home, and logistics.

They will be followed by a 'meet and greet' session in the bottom hall where refreshments will be available. This is a great opportunity for you to meet other parents and staff in a less formal setting, where the leadership team and SENCO will also be present. For dates and times, please see below:

| Year groups | Year 2 and 3 | Year 1 and 4 | Year 5 and 6 |
|------------------------------------|---------------------------------------|---|--|
| Date | Tuesday 16 th September | Wednesday 17 th September | Thursday 18 th September |
| Curriculum Meeting (Classrooms) | 4.00-4.30 | | |
| Meet and Greet (Bottom hall) | 4.30-4.45 | | |

House Afternoon

What better way to start the new school year than by having fun with your fellow 'house mates'! All the staff and children from each house - Mycroft, Rigal, Valdez and Ndume - spent an hour together last Friday getting to know each other, remembering the person who inspired their house name. This year we are adding something else into the mix to build the camaraderie between the members of each house - a house chant! In our weekly celebration assembly, the weekly house points are announced but this year they are accompanied by a house chant that was created by the children. They are loud and the children are very house proud!

Rigal we stop hate, Rigal we are GREAT!

When I say TEAM, you say MYCROFT... Team Mycroft, Team Mycroft!

VALDEZ VALDEZ! Here loud and proud!

Stand up proud, give a cheer! Ndume's house has got no FEAR!

Running Club

We know that many of our children enjoyed the running club taster sessions before the Summer break, and several members of the parent community have enquired as to when the club will be starting up again this academic year. Due to adult capacity, we will now be looking to start running club again in the Spring term. Look out for communications nearer the time should you wish to register your child to participate.

Interventions

In order for all our children to reach their full potential we run a range of activities and interventions across the year groups. These interventions support our children's academic and social progress. If your child is accessing an intervention run by Miss Rich or Mr Aziya, look out for a letter outlining the support your child will receive.
