Issue number: 27 5th April 2019

This Week in the Art Room

I would like the incredible work from this Spring term to speak for itself, thank you 1L, 2B, 3DP, 4 Dolphins, 5C and 6K for all of your hard work in and out of the Art Room, please enjoy sharing all that you have created with your grownups at home. Happy Holidays!

National School Photography Award

I am delighted to let you know that SIX of our pupils have been shortlisted for the final round of judging at the National School Photography Awards 2019. Well done to Ava, Neve, Pearl, Rebecca and Tilly and Verity. Our fingers are firmly crossed for you all!

The entries are all so great that we have decided to run our own competition in school. Making the prize presentation will be professional photographer, Mike Curry. Mike's work has won awards in international photography competitions, has been published in the Sunday Times Magazine and Outdoor Photography Magazine. Mike is probably better known to our children as our school photographer.

All entries are on display in our school reception area. Please do try to make it along to vote for your favourite photograph. There will be a prize for 1st, 2nd and 3rd place. Voting is open now and will close on 7th May.

A massive thank you to our own resident photographer, Mr Rosko, who has enabled us to participate in the competition over the last two years.

A Message from the P&F

Hello everyone,

We hope the bake sale has put you in the mood for a fun (and chocolate-filled) Easter break. Thank you very much for all of your lovely bakes & treat donations!

Upon your return from the break we have two major events planned. As mentioned in last weeks' newsletter, **International Evening** will be held on Friday 26th April from 5-7pm, only four days after returning from the Easter break. Just to remind you that thanks to Dulwich Tandoori who are covering our costs, this family event is now FREE for everyone. If you haven't been before, the idea is to bring with you a national dish to share (larger and more ambitious dishes can be funded by the P&F so please get in touch if you are interested), and in return come and enjoy the delicious food from around the world lovingly prepared by other Heber families.

The second event fast approaching is the **Heber Fun Run** on Sunday 12th May - generously supported by KFH. Details can be found on the leaflet in the children's rucksacks this week. This family event is not only a great way to promote sports and the strong Heber community, but it is also a massive fund raiser. Adults are invited to join us in Dulwich Park at 10am for 2 laps (2 miles) around Dulwich Park, followed by a 1 mile (1 lap) Children's fun run at 11am. So please sign the form, get your sponsors, and get your running shoes on!

All the money raised at the P&F events this year will go towards improving the acoustics, lighting, and performance equipment in the main hall. However, these events really need volunteers to make them happen - the fun run especially will need a lot of volunteers this year. Hence, if you are able to help us, in whichever way you can, please email us at: heberpandf@gmail.com or get in touch with your class rep.

Weekly Music Awards

The following awards were announced in our weekly Merit Assembly.

KS1: Our Key Stage 1 music award winners this week are Freddie Wynyard and Fred Hill from 2L. Me and Miss Bieber have noticed them for a while now, showing excellent musical discipline, progress and commitment. Both Freddie and Fred are playing instrumentally more musically, engaging more creatively and singing more accurately. Their progress is clear to see, well done boys, keep it up!

Lower Key Stage 2: It had to be Ruth in 3LP this week. Whether we are learning musical rhythms or pitches on the stave, reading or recording music on the stave, playing instrumentally, singing in canon or harmony, or just dancing to the beat, Ruth excels. We are blown away by her musical talent, and she rightly earns the award this week.

Upper Key Stage 2: Aston and James Perring in 5S are the winners this week. They have shown incredible instrumental skill on the steel pan, playing with ease with increasing level of challenge. They also both took to the djembe drum with skill and timing, and led group practices with their clockwork precision. The pair of them resemble a young Tito Puente with their percussive skills, and have long, bright, musical futures ahead of them.

A Message from the Music Team

We have Parting is such sweet sorrow. The end of a hugely successful Spring Term means we have to say goodbye to 1H, 2L, 3LP, the Year 4 dolphins, 5S and 6F for now, basking in the glory of their spring term triumphs. Year 1 and 2 children learned to play instruments musically and artistically, while reinforcing key musical vocabulary terms that they will use throughout their entire musical learning journey. Elsewhere, putting together all their musical theory and reading skills to sight read new songs was made to look easy, and they also learned to play and perform a song in a whole class ensemble in record time! For never was a story of such dexterity that this of Miss Pang's class, 3LP. Year 4 used musical terms and sheer creative energy to create a wonderful soundscape that we hope to show off at some point this year. Year 5 continued their musical theory and steel drum learning paths with performance after performance of the highest quality, and as for the music programming of 6F, well I never heard true artistry till these lessons. What learning from yonder Summer Term breaks? Plenty, and many opportunities to perform.

Stars of the Week

Every Friday staff pick their Stars of the Week from each class. The children can earn this prestigious award for demonstrating one of our core values; Responsibility, Resilience and Thoughtfulness. Congratulations to the following children who were chosen as the Star of the Week in Merit Assembly this week:

Reception – Ishaq (Rec E) and Enzo (Rec C)

Year 1 – Ethan (1L) and Ollie (1H)

Year 2 – All of 2L and Jakane (2B)

Year 3 – Fin (3LP) and Maxy (3DP)

Year 4 – Malachi (4LJ) and Helena (4E)

Year 5 – Roman (5S) and Chisom (5C)

Year 6 – Pearl (6F) and Harriet(6K)

The Heber Gazette

This week sees the release of the first edition of the Heber Gazette, a newspaper written by Heber students for Heber students. It includes articles, interviews, jokes and a comic strip, so watch out for the this and future issues!

The making of this newspaper has been kindly supported by Regina Motalib (mother of Isaac and Laila in Year 4) and Mr Elliott.
