Wednesday 7<sup>th</sup> September 2022

Dear Parents and Carers,

**Year 1: What is the area around my school like? Immersion Day**

We are really excited to have the children back in Year 1 and to get started with our first topic of the year: What is the area around my school like? To start the year off with a bang, we have arranged an immersion day to experience this! Our immersion day is on **Tuesday 13<sup>th</sup> September**. **There is no cost for this immersion day. The children will not need to have fancy dress.**

On the day the students will make an “ideal town” from junk modelling in the classroom. For this we will need as much junk modelling as we can get, so please bring in clean recycling (eg. cardboard boxes, unwanted tubs, fabrics, or containers) for the children to use, cut up, and arrange into objects for the town. We will store them in the classroom so, if possible, please bring them in before the 13<sup>th</sup> September.

Yours sincerely,

The Year 1 Team
