## This week in the Art room

Issue number: 31

8<sup>th</sup> June 2018

This week in the Art Room, the Year 3 and 6 children were given a brief to compile, research and design a T shirt that would be titled 'You/Me'. This week they are to collect materials, images and ideas to help them over the following weeks. Being the last term of this academic year they will be encouraged to make decisions and choices. Can I ask that the people at home support them in this task. I cannot wait to see their designs take shape!

## A Message from the Music Team

Are we really starting the last half term of the year?! This year has really flown by, and it is great to finish off with such keen musicians across all key stages here at Heber. Our year ones have started with aplomb, taking their new learning focuses in their stride. 2L and 4D have been unfazed by the pace of the lessons, to fit in everything before not only the year's end but also the much-anticipated, forthcoming summer concert. 5S have used their improved skills in art to lend a creative edge to their unit of composing and improvising, as have year 6. And year 3 have wowed and surprised us with the ease at which they take to new, thornier learning challenges, as they have done all year. Seems our wee musicians are growing up fast \*sniff\*

## Heber Fun Run

We would like to say a huge than you to everyone who took part in or supported the Heber Fun Run. It was an amazing achievement with every child running a mile around Dulwich Park. That's the equivalent of Heber running a relay all the way to Edinburgh! The support the children showed one another was truly inspiring, and a great example of the spirit of Team Heber. Please remember to hand in your Fun Run sponsorship forms. The class with the most sponsorship gets the Winner's Trophy full of goodies to share. Thank you also to KFH who covered all the Fun Run costs, meaning that every pound of sponsorship goes directly to raising funds for the playground Activity Trail.

## Weekly Music Awards

**KS1:** For consistent high achievement in music, for his good memory and his resilience with the song and actions to learn our set Year 2 song, and for his tireless work on the 2B poster including the title suggestion, Felix from 2B is the Key Stage 1 winner this week.

**Lower Key Stage 2:** The Lower Key Stage 2 award winner this week has to be Heba in 3L. Her instrumental playing is of such a high quality, and is improving every week. Her dedication and passion is unquestioned. Mr Picarelli always points her out and with increasing fervour week on week. We can wait no longer, Heba, it has to be you. Thank you so much.

**Upper Key Stage 2:** We have several this week. From 5K, Clara and Jie-En for their really committed playing at the end of last term, great solos and improvising and for using two different phrases played together just so well. From 6F, Jaydeen, and from 6D, Timur, for their creativity and skill this week in their music programming unit. Jaydeen diligently and creatively selected lyrics to match his song, and impressed us greatly. Timur programmed, and recorded a 4-bar drum pattern that even included fills in a particular style.

## Performance Choir – Pellatt Road Street Party

On Sunday 3rd June Heber's incredibly talented Performance Choir came together at Pellatt Road's annual street party. Organised by Rob Jackson (Sophia's Dad), the street party had a wonderful community vibe and drew in a great crowd for the nervous young singers. The choir performed 4 songs to open the ceremony including the song 'This is me' from 'The Greatest Showman'. Miss Dyer (their singing coach) was incredibly proud of the children and how professional they were given it was their first performance. Since starting the choir we have all been amazed at how quickly they have picked up songs and learnt different parts and harmonies. We felt extremely welcomed by the parents and members of the public on Pellatt Road and we are looking forward to our next performance.

## School Barbeque

On Friday 15th June our catering company, Harrisons, have organised a BBQ experience for the children. The normal menu will be replaced with burgers (vegetarian and beef) chicken and vegetarian sausages followed by shortbread and ice cream.

We will transform a section of the Lordship Lane playground into a dining area so the children can eat alfresco!

If you would like to experience this event and enjoy a meal with your child, then please contact the office as soon as possible. The spaces are very limited and will be distributed on a first come first served basis. We hope so see you there.

Fingers crossed for sunshine!

## Year 2 Topic

The children in Year 2 have had an exciting start to their last half term! They took part in a transport survey to finish off their "Wheels, wings and other things" topic. The children thoroughly enjoyed spotting different forms of transport along Crystal Palace Road.

To kick start their topic on 'Rainforests', the children were lucky enough to have a visit from Thomas Pickles' Uncle. He spoke to the children about the fantastic work that the Rainforest Trust do. If any parents would like to support the trust the website is: [www.RainforestTrust.org](http://www.RainforestTrust.org)

The children loved naming the rainforest animals and were very passionate about wanting to save the rainforest. Thank you to Chris for coming in and teaching the children about the Rainforest Trust and answering Year 2's questions.

To start our English text 'Dragon Machine', the children made Chinese dragons.

## Fundraising for Shelter

Well done to Lucille, Pia, Ksenia and Maya in Year 5 who organized their own fundraising activity for Shelter.

Their sponsored silence raised £280! We are very proud of you all for your efforts and thoughtfulness.

## Stars of the Week

Congratulations to the following children who were chosen as the Star of the Week in Merit Assembly:

Reception – Dilal and Ridwan

Year 1 – Kieron

Year 2 – Max Lacey and Charlie

Year 3 – Minnie and Anna

Year 4 – Thomas C and Scarlett

Year 5 – Arif and Maya

Year 6 – Edson and Bolade
